

Xtend-Life is a non-toxic, water based polymer concentrate that can be used as a spray or dip to form an ultra-thin, clear coating on fresh cut greenery and flowers to retain moisture in the plant material.

Apply **Xtend-Life** to greenery, such as Christmas trees and wreaths, to prevent premature browning and needle drop.

Apply **Xtend-Life** to fresh cut flowers to extend the flowers' display life. **Xtend-Life** will reduce wilting, petal drop and bent neck.

Xtend-Life is recommended for all cut plant material subjected to shipping conditions,

Xtend-Life may leave a shine on some plants. If more shine is desired, a more concentrated application may be used,

Xtend-Life Dilution Rates

Cut Flowers		Cut Greenery/Wreaths	
Volume of Water	Volume of Xtend-Life	Volume of Water	Volume of Xtend-Life
112 oz.	16 oz.	10 Quarts	2 Quarts
14 Cups	2 Cups	2.5 Gallons	0.5 Gallons
(Makes 1 Gallon)		(Makes 3 Gallons)	

Not for use on live, growing plants or flowers.
